All Time are the Mountain Time Zone

4/8/2018, 8:00am, Thomas Edison's Secret Lab, 30 minutes, hoping to get on a dance show, Von Bolt wears a remote control dance outfit. But if he lets someone else dance for him, is he really a winner? When the Secret Kids Lab are responsible for a female gorilla breaking out of the zoo, they'll do some heavy lifting to return her.

4/8/2018, 8:30am, Thomas Edison's Secret Lab, 30 minutes, JD creates a mini universe to store his stuff but it grows wildly out of control and starts consuming everything – and everyone – in the lab. Having wrought destruction on the Lab's indoor greenhouse, JD seeks refuge from the consequences of his actions by escaping through the VR Window to the Stone Age.

4/15/2018, 8:00am, Thomas Edison's Secret Lab, 30 minutes, When JD and Kent accidentally create a static electricity charged laundry monster, it rampages through town. With the help of Robert Van de Graaff, they find a way to defeat the monster's static cling. When the Antimatters create a rouge robot, it's up to the Secret Lab Kids to save the day.

4/15/2018, 8:30am, Thomas Edison's Secret Lab, 30 minutes, Kent's youth serum works a little too well and turns the gang into screaming babies. The serum soon wears off, sort of, now they're adults trapped in babies bodies and Von Bolt doesn't know whether to obey or burp them. When the AntiMatters steal JD's backpack and discover the portable ALVA, the Edison Lab Kids must concoct a plan to retrieve the backpack before the AMs locate the Secret Lab.

5/13/2018, 8:00am, Thomas Edison's Secret Lab, 30 minutes, When Von Bolt loses his memory including the password to the lab's ticking self destruct mechanism, the kids must explore his robot ancestry and wit it the history of computers to help him remember. A growth ray expands a tiny pizza to gigantic proportions and the Secret Lab Kids must stop it before it totally destroys their city.

5/13/2018, 8:30am, Thomas Edison's Secret Lab, 30 minutes, The Antimatters send the whole Edison complex into the sky by pumping it full of helium and its up to Newtman (aka Kent) to save the day. Angie invents a machine that can change the weather but when Nicky falls into the beam, it's her unruly emotions that alter the weather.

5/20/2018, 8:00am, Thomas Edison's Secret Lab, 30 minutes, When Kent feels ignored by the other SL kids, he unexpectedly becomes friends with the ants of the Ant-Urbia, who eat a special substance from the Kafloogalator that allows

them to communicate with Kent and become a super organism friend. Kent flies Edison's Awesomobile to France to meet Sheila, but he is mistaken for an alien in a UFO and the Team Kids must rescue him from an Area 51 type base.

5/20/2018, 8:30am, Thomas Edison's Secret Lab, 30 minutes, The Secret Lab Kids grow an assortment of fantastical eyeballs but when they accidentally get bounced all over town it means big trouble. When Von Bolt accidentally destroys the museum's new moon rock, the Secret Lab kids must find a way to replace it.

6/10/2018, 8:00am, Thomas Edison's Secret Lab, 30 minutes, when an old friend of Edison's visits the lab and asks the Secret Lab Kids to help him with an urgent, top-secret project, they have to follow him through a wormhole to get his own secret lab. The Secret Lab kids race an impossible deadline to finish a secret new aircraft for the mysterious, jovial character named Bob.

6/17/2018, 8:30am, Thomas Edison's Secret Lab, 30 minutes, while the kids try to solve the payload problem for Bob's secret craft (with Rupert hindering their efforts), Von Bolt believes he uncovered proof in form of a tiny wrapped present that Bob is Santa Claus. With time running out, the Edison kids have only to perfect the cloaking technology to complete their new airship right after they figure out how to get back inside the impenetrable mountain lab they're locked out of, that is.
